26 October, 2008

To the National Spiritual Assemblies of Armenia, Belarus, Moldova, Latvia Lithuania, Russian Federation and Estonia

Dear Friends!

As you already know from the letter of the Universal House of Justice of the 20 October, 2008, there is going to e a series of regional conferences from November 2008 to March 2009, the purpose of which will be "to provide the opportunity for the friends to gather together, as much to celebrate the feats already achieved during the Plan as to deliberate on its current exigencies". One of such conferences will be taking place in Kiev on the 28 February – 1 March, 2009, and we are turning to your National Spiritual Assembly asking you to invite friends in your respective countries "both those fully engaged in executing the provisions of the Plan and those whose circumstances have prevented them from fulfilling their desire to do so until now" to participate in it.

In the nearest time you will, most probably, in consultation with the Counsellors and cluster agencies, will determine a list of core believers, participation of whom in this conference would be important for achieving the goals of the 5 year plan. We are asking you as soon as possible to inform our Assembly an estimated number of participants from your country, what will allow us to decide upon the necessary place for the conference and accommodation of the participants.

We hope that all willing friends will be able to participate in the conference and will be able to pay their transportation expenses by themselves. We will inform you about the budget of the Conference as soon as it will become clear, and are hoping for your help in covering the finances of the conference.

With loving greeting

The National Spiritual Assembly of the Baha'is of Ukraine
